Charlean Gmunder  
Vice President, Catering Operations  
United Airlines  
233 South Wacker Drive  
Chicago, Illinois 60606

Dear Ms. Gmunder,

We are union leaders from across the country gathered in Houston for the National AFL-CIO Civil Rights Conference honoring Dr. Martin Luther King, Jr. We write to urge you to respect United Airlines' catering operations workers' decision to unionize with UNITE HERE. United's catering workers deserve be treated equal to all other United workers.

United's catering operations division is a remarkably diverse workforce. Across the country, catering workers hail from over 60 different countries. As union leaders, it is inspiring to see this truly global workforce come together to organize for equality, safety and respect.

United's catering workers are the only non-managerial, frontline workers directly employed by the company who do not have a union. We stand in solidarity with our brothers and sisters as they organize a union.

Sincerely,

Sherrie Thompson
